NYAT Announcements:

The 2024 June conference and lobby days are approaching. Join us there for the first ever student summit!

Registration for round 2 of the Great School Electrification Challenge is still open!

NYAT Working Teams calls are on the first Sunday of every month.

Join us on Sunday, June 2nd at 4pm ET/1pm PT/ 11 am HT for our next one!

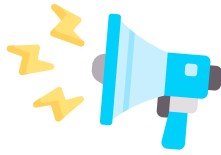

Good job to all of the youth members who helped with the national CCL youth takeover on May 11!

The Youth Takeover was a National call in collaboration with CCL's Higher Ed action team!

June Monthly Action

The PROVE IT Act passed it's committee in January with bipartisan support! Now it's time to make some noise in Congress and get the PROVE IT Act passed in the Senate.

It is a bipartisan bill that would task the Department of Energy with calculating the amount of carbon it takes for United States industries to create products compared to foreign competitors.

Once we know this, we can determine the price to charge imports from other countries. Then we can pass a bill establishing a CBAM!

You can take action now by calling Congress and urging them to cosponsor the PROVE IT Act! This will take no more than 5 minutes of your time and can make a significant difference.

Call and take action today!

Write Congress: Cosponsor the PROVE IT Act!

The bipartisan PROVE IT Act has been introduced in the Senate and will soon be introduced in the House. We need to build support for it in Congress.

Citizens' Climate Lobby /

The Climate Goat Campaign

Each month, the Higher Education and National Youth Action teams encourage the youth to have important conversations aimed at keeping climate action in mind at the polls.

[Click here to learn more about the GOAT Campaign!](#)

Read on for this summer's challenge!

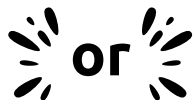

Summer Travel Challenge

If you're out of town visiting family or friends, or just visiting someone you don't see often, have a climate conversation with them!

What to do:

Recruit 5 people to join the Empower app

Have 18 climate conversations!

NYAT Team Updates!

Here's what each team has been up to:

Actions:

The actions team has been busy working on the next challenge for the GOAT campaign, assisting the new Electrification Challenge Teams, and holding a youth lobby training. They helped put together a great presentation for the Electrification Actions team and also facilitated the national Youth Takeover call.

Communications:

The communications team is continuing their work on creating social media posts, keeping the website updated, and designing the climate radio podcasts. Check out their [latest episode](#) about the Great School Electrification Challenge!

Membership:

The membership team has welcomed a lot of new members recently, helping them become acquainted with the NYAT. They held a welcome call and look forward to meeting even more people soon!

Outreach:

The outreach team has been creating a climate action video for school outreach, as well as designing this May-June newsletter.

WHO ARE WE?

Citizens' Climate Lobby

At CCL, we know that **the best and most efficient way to address the climate crisis is through political will and the enacting of policies.**

But for that to happen, it's going to require our will as a united people, our teamwork, and our actions.

As an organization, **that is exactly what we do.** We work to ensure that not only are we building awareness on the subject, but are also taking **solid steps toward actually addressing awareness the crisis,** including providing and supporting solutions and policies.

[Learn more about CCL!](#)

National Youth Action Team

The NYAT is team within CCL for anyone under 18 who wants to help work towards climate action! We work together to make a difference through collaboration in 4 different teams - Actions, Communication, Membership, and Outreach. **Go to page 5 to find out what each team has been up to!**
